Welcome

Ladybugs and Lullabies  
No-Slip Bows & Clips do  
what they promise. They  
stay in your little one's  
hair.

Our specially designed snap clips  
gently grip peach fuzz and "barely  
there" baby hair while our alligator  
clip with it's unique "stay put"  
strip stays in baby fine hair yet  
grows with your little girl through  
the years.

Ladybugs and Lullabies is unique,  
as we strive to create a high quality  
yet affordable clip that is available  
in over 100 colours with a wide  
variety of designs to choose from.  
No corners are cut in our exclusive  
designs because as a mom-owned  
company we know that quality counts!

Congratulations to

*Congratulations to Bailey Baio  
December's Little Ladybug of the Month.  
She was 1 year old at the time of this  
adorable picture. Bailey is wearing our  
new "Bailey" clip in her hair. Bailey's  
mom says, "Omg! I love them! Everyone  
keeps asking how they stay in!"*

*Join us in supporting The Bailey Baio  
Angel Foundation, by purchasing our  
new Bailey clip. A portion of the  
proceeds of this striking clip will go  
to support The Bailey Baio Angel  
Foundation, started by Scott and Renee  
Baio. The foundation's goal is to gain  
awareness and help raise funds for  
expanded newborn screening, while  
also providing support to children and  
families that are coping with a disorder.*
